

THE CLAYTON NEWS

OFFICIAL PAPER OF UNION COUNTY

SUTHERS & DURAN, Proprietors
CHAS. SUTHERS, Editor

ONE DOLLAR PER YEAR

Entered as Second Class Matter October 19th
at the Post Office at Clayton, N. M., under
the Act of March 3rd, 1879.

SATURDAY, FEBRUARY 27, 1915

\$2,000 and \$2,000 and \$500
makes \$4,500. Most any one
could figure that out.

Of course "Jimmy" voted for
the expulsion of Bojorquez. It
has been said that "Birds of a
feather will flock together."
Toombs, Vigil, Ortiz, Chaves.

Improvement is the order of the
day. A sidewalk running south
across the lake from the rear of
the Isaacs building to the Gray
lumber yard is a crying necessity.
We hope a hint will be sufficient.

Captain Snyder says he is tired
of furnishing readable copy for
Guyer's sheet, and will not do so
any more unless he is honored
with the position of "reporter on
the editorial staff," and paid for
his services.

"Jimmy" has introduced an
other bill. This time it is propos-
ed to establish a state normal in
Clayton, and the bill is couched in
such language as to cause the
unsuspecting to believe that it
can be done. More blue sky.
Propose something reasonable,
"Uncle Jimmy."

Union Co. farmers and ranch-
men have entered the new year
with great prospects. The ground
is full of moisture and more is
falling daily, and during the
periods of precipitation the weather
has remained warm, providing
favorable conditions for all kinds
of livestock. Ranchmen have suf-
fered no losses during the winter.
1915 promises to be a bigger year
for the Union county farmer and
rancher than was 1914, the most
prosperous season for years. Hard
ware and implement dealers are
placing additional orders that they
may be able to fill the increased
demand for machinery.

Bronson M. Cutting may be a
one-horse millionaire and a poor,
silly fool, and E. Dana Johnson
may be an ignoramus; but if we
were Judge Mann, or only one of
his little tin soldiers of the caucus
majority, we would hate to admit
that such a pair had put us in a
hole from which we could not
escape. A lie is a lie, just as
much so as the 21st. is the 21st,
and the 22nd. is 22nd; or that Mr.
Bojorquez is a popular gentleman
elected by the voters of his county,
and Chaves is a—tin soldier
elected by the caucus. Mr. Mann
and the disfranchisers must be-
lieve that the people of New
Mexico are a hybrid bunch of
"poor, silly fools."

Our prize delinquent subscriber
wandered into town the other day
and, all unsuspecting, we lured
him up to Doc. Blank's office and
ripped the doc to give him the
Twilight Sleep treatment. And
say, the doc is some treater! He
had the d. s. in the twilight zone
as quickly as you could break your
wrist with the crank on a Ford.
In two minutes we separated the
patient from the money he had
been owing us since the time when
Heinz had only one pickle. When
he came to he was holding a re-
ceipt in full in his hand. Then
we told him. He was tickled to
death. He said that heretofore

he simply couldn't bring himself
to pay up, because he dreaded the
pain. We turned over all the
money to the doc and told him to
invest it in more chloroform. We
are going into this business
RIGHT!

The republican caucus majority
has again delivered the goods—in
favor of its office holding class.
Monday of this week it passed a
county salary bill allowing the
county officers in the different
counties of the state at least
EIGHT HUNDRED THOUSAND
DOLLARS more than they are
entitled to receive for the period
since statehood, and that much in
excess of the amount recommend-
ed and fought for by the minority
members of the legislature. But
one republican, Palmer of San
Juan county, voted against the
steal, and he was promptly sat
upon and denounced by prominent
members of the caucus disfran-
chisers as too darned honest and
decent to trail in the crooked
tracks of the select circle. Mr.
Palmer didn't dispute the allega-
tion, but made several noises
indicative of the belief that he
had been highly complimented.
God only knows what the end
will be.

The Record

The Republican majority has ex-
ceeded all expectations so far in
the way of "legislation". It is
daily getting deeper into the quick-
sands. The little personal "get
even" bills are coming in faster
all the time and caution decreases
as the days go by.

It is only necessary to refer gin-
gerly to the bills passed by the
house yesterday—the one placing
a group of thoroughly dependable
Republican machine manipulators,
such as Frank Hubbell in charge
of the sheep interests of the state
in order, by means which can be
easily guessed, to keep the sheep
growers in line; the other making
the traveling auditor a figurehead
by placing him under the appoint-
ment and direction of "Bill" Sar-
gent, whose idea of publicity for
official finances is strikingly ex-
emplified by his policy as mayor
of Santa Fe.

The traveling auditor's office, it
is needless to repeat, has been
guilty of the nefarious offense of
forcing Republican office holders
as well as Democrats to restore to
the taxpayers thousands of dollars
illegally appropriated by the offi-
cials. As to the sheep sanitary
board, the machine has long had
covetous eyes on this opportunity
of building up a powerful and
corrupt political machine.

The bar went down when the
house spread on the records the
flimsy lie in the Bojorquez case.
We may expect the limit from
now on. And the New Mexican
is rather pleased at the outlook;
for the sooner this organization
brings about its own destruction
the better for New Mexico.

So go it, boys! Run amuck!
We'll all watch your smoke—San-
te New Mexican.

marriage; the next, our children;

much to be considered as the
union of mind and similarity of
disposition. Chastity and mod-
